With the Holidays fast approaching I hope that everyone has their tree up and lights attached to their homes to help light the way for Santa's trip. Please don't forget the less fortunate at this time of year and reflect on your many blessings that have come your way.

Also don't forget the Club meeting February 11 at Kauffman's.

Contact Frank at rosehillcreams@aol.com or 301-261-5327

or Tim at seagrave66@aol.com or 301-340-1568 by February 1, 2012 at 4 pm so that we can have an accurate head count!

Winter seems to be taking its time getting here, now is the time to check antifreeze, drain pumps and tanks and all of the cooling lines and gauge lines. It is easier to spend time now than to have to do repair work in the spring.

From Paula and I, warm wishes for a HAPPY HOLIDAY SEASON with family and friends.
